

The Mystery of the Julia Crutchfield Bible

Re: Julia Crutchfield

I'll get it in the mail soon. No worries about the postage.
It's a beautiful bible. Not made with colored art work like that anymore.
In the middle of the bible are the notes about the wedding and other family members listed.

God bless.

Thanks. I will reimburse you for the cost. And maybe I can figure who it could go to.

Just dawned on me that Paul was married to Judy in Ohio in the early 1930's.. At least she went by Judy when I lived with her and Paul for a year 1957/1958/ They divorced I believe in the 1960's and she was alive in 1976 as I passed through and stopped by to say hello to her at the old house and him at the gas station. I wonder if she could have went by Judy to avoid confusion with Paul's step mother Julia who was a wonderful person but resented by Judy who kept Paul unfairly away from for decades.

It sounds like this may have been Judy's bible but I have no idea what her maiden name was.
I would still be interested in the pictures as they could include some of my family.

James,

She was born in 1910 so she could not have been married by 1919. Must be different.

I am trying to determine if we are talking about the same Julia Crutchfield. The one I am related to was the step-mother of Paul E Crutchfield who was born in 1912. She died in the 1980's as Julia Sharp.

She had been married to Dock Crutchfield around 1919. She was the step mother of Paul, William/Bill and Willard/Jesse. Dock's first wife was Lillie. Other names you might find is this is her would be Amos, Ruth, Ruby, Vera, and Howard Ray. Her second husband was Milton Shapr(e).

If none of these names appear than it is like we are talking about different Julia Crutchfield's.
Let me know. If it appears to be the right one I will then give you a call.

Jake,

I am copying the nephew of Paul Crutchfield on this email. He was in touch with me back in 2012 and I am hoping he is still at this address. If not I am connected to him on LinkedIn so we will somehow find him. I don't think there are Crutchfield's that are that close still here in Tazewell where he was from so James is probably as close as any relative that he has.

James, if you get this email you will be interested in what Jake has. His cell phone no. is in his email. Please keep me posted on any communication that may involve this email.

Joe,

I found a bible with family photos in it. I saw your webpage and thought you might be related or might know existing family. There is a list of family in the bible to include her husband Paul E. Crutchfield born in 1912.

I was able to find a tomb stone record of Julia. Appears that she died in 1972.

If you are able to help me locate surviving family, I would appreciate it. I would like to get her bible back to her family.

Thank you,

Jake
